ANNOUNCEMENT

The Horsemen's Association has reached the following agreement with Batavia Downs:

1. The racing schedule for 2016 and 2017 will be extended for an additional week each year. This year we will race until December 17. In 2017, we will race until December 16.
2. At the conclusion of racing this year and next, there will be no charge for remaining on the grounds until the barn area is ready to open at Buffalo Raceway. This will apply only for stables that have spent the majority of the race meet on the grounds.
3. Batavia Downs will provide a free prime rib buffet dinner at the conclusion of our racing schedule this year to celebrate the Christmas holiday. The exact date will be determined later.
