

Dear WNYHHA Member,

I am proud to submit my name for consideration for a position on the Board of Directors of the Western New York Harness Horsemen's Association. Harness racing has been a significant part of my life, and I am eager for the opportunity to give back to the sport and the people who make it possible.

Throughout my involvement in the industry, I have gained firsthand experience with the everyday challenges and opportunities facing horsemen in Western New York. I believe the Association should continue to protect the interests of its members while also seeking practical solutions that strengthen our future. If elected, I will approach every decision with fairness, integrity, and a willingness to listen to the concerns and ideas of fellow members.

I understand that a strong Association depends on open communication, responsible leadership, and a commitment to preserving our racing tradition while adapting to the changing needs of the industry. My goal is to be an active voice that continues to improve conditions for owners, trainers, drivers, grooms, and everyone involved in our sport.

It would be an honor to serve the members of the Western New York Harness Horsemen's Association, and I appreciate your support. Thank you for your time and consideration.

Respectfully,

Kevin Cummings
